The diagram illustrates a file dependency structure. At the top is a header file box labeled 'Code/LASAR/Embedded/Satellite/USART/USART.h'. Below it are two source file boxes: 'Code/LASAR/Embedded/Satellite/Satellite.c' on the left and 'Code/LASAR/Embedded/Satellite/USART/USART.c' on the right. Two blue arrows point from the source files up to the header file, indicating that both source files include the header file.
